Pfeiffer College
Misenheimer, North
Carolina

Enrollment: 1054

Volume XXXIX

1994-95

Reflections

One of the most frequently asked questions is, "Where is Pfeiffer College?" It doesn't help much to say in Misenheimer, North Carolina, unless you add about forty miles east of Charlotte on Highway 52, just turn left at the intersection of 49 and 52 and you are there.

However, Pfeiffer College is far more than a place on the map; it's a community of learners where students, faculty, staff, and friendly neighbors care about each other and work together to provide the best learning environment possible. Students come first at Pfeiffer where they are known by their names rather than social security numbers. In many ways, the College is like a family with all the support the word implies. Assistance is available for the asking from faculty and staff who are willing to go the extra mile to help students realize their potential.

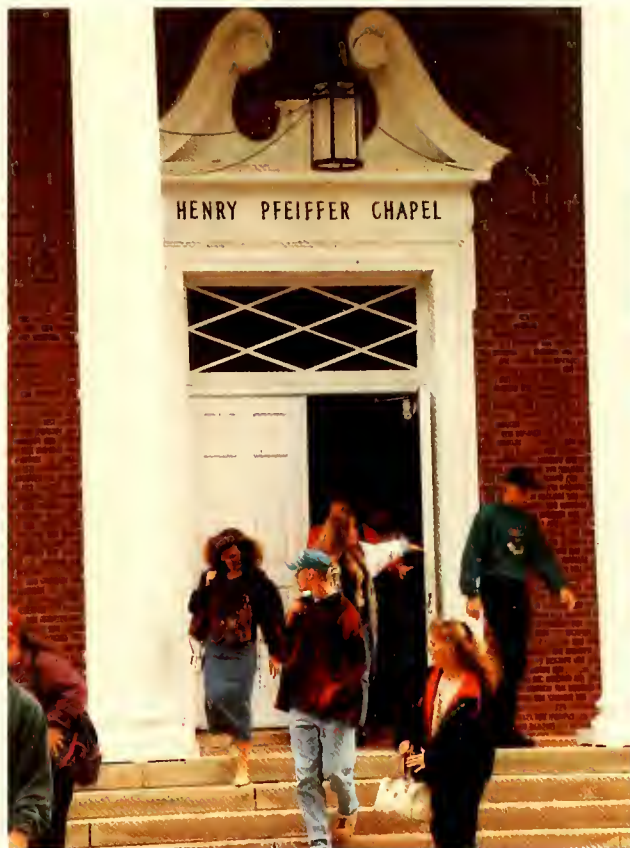

When you add the support of alumni, friends and parents, you can begin to understand why Pfeiffer College is such a special place.

PRESIDENT, ZANE EARGLE

If there is one thing the students will remember it is the train tracks that divided the campus in half!

Students Leaving the Henry Pfeiffer Chapel, after a Wednesday morning worship service.

Michelle and Caryn gather around the sundial and chat between classes.

International students: Anu, Shankar, Mohit and Rajeev perform a cultural event to bring an awareness to the Pfeiffer student's about their culture.

Dr. Griffey, Professor of Education, helps student Larry Barnes with the computer.

Opening Reflections

Pfeiffer College is made up of many different types of people, but each person has to find his or her own place. Campus wide activities, such as the Spring Waterfest and the Summer Festival, are held each year. Students also participate in many other activities, such as the in 1990.

Senior John Lubrano (left) and
while taking a study break.

Students at lunch

Students are developed that

Coach Vanore shows everyone, that she too has got the Pfeiffer Spirit!!

Dorm Life can truly be an unforgettable experience.

Several Alumni find themselves coming back to lend their support to the new students.

Chris gets ready to start the game.

These students are enjoying themselves at the Homecoming dance.

Dr. and Mrs. Eargle welcome their guests.

Seniors Class of '95

The Senior Class of 1995 moves forward into a world full of excitement and adventure.

We leave behind the security and support of our fellow classmates and supportive faculty.

As we approach another challenge, we take with us the values and collective experiences gained through our four years at Pfeiffer.

Looking forward, with a firm foundation and positive attitude for our future.

Thanks for all the good times!

IN LOVING MEMORY OF

Robin Althea Joines

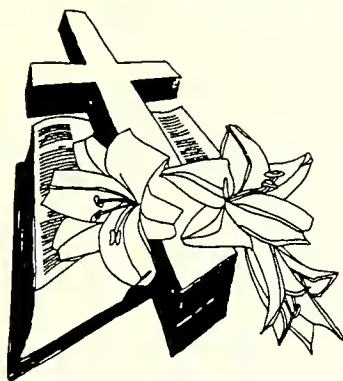

Robin,

*You are so near and yet so far
 Since your journey has come to an end.
 Even though you're not here any more,
 You'll always be my friend.
 I see you as happiness in a smiling face
 And as warmth in the gentleness of a touch;
 No matter what your task may have been
 You never minded it very much.
 There was a glow about you
 Bright shining as the sun
 And now you rest upon the stars.
 There's comfort in knowing you're Home with Him
 That your work here on earth is done.
 You've glorified His name and gave Him praise
 Now rewarded forever more to walk with the Lord
 As our Shepherd takes Home His Lamb!*

*I'll Always Love You
 Dee*

Dolores Varvorines

IN LOVING MEMORY OF ROBIN ALTHEA JOINES

Robin, this year/summer you left us for your rewards, joys, and the fullness of being with your Lord Jesus. You told us time after time how much you loved Him and of the wonders He had brought into your life. There is no doubt that's what you are doing today — praising God! But you are missed so much; the joy you brought to everyone that knew you can never be forgotten or replaced. You touched so many lives in the short time you were with us — And we love you for this. It is good that you passed this way.

*Shalom
 Chuck Marbry*

Robin . . . eager to ask questions.

One of the things that students enjoy doing on campus is watching the inter-mural volleyball tournament. Students gather on the front lawn of Ervin dorm, with their beach towels, tanning lotion, sun glasses, drinks and alot of energy for cheering on the contestants! That's whats these students are doing on a sun-ny, saturday after-noon.

Freshmen Adjust to College Life

Heather Blaylock
Staff Reporter

What is Pfeiffer's number one attraction? According to new freshmen, it's sports. In a recent, random poll of several first year students, an overwhelming majority indicated that they picked Pfeiffer for its intercollegiate sports. Others responded with academic scholarships, school size, and liberal acceptance policies as their main reason for coming.

Many of those polled are from the northeast, specifically New York and New Jersey. As a matter of fact, the majority of the freshman class is from out-of-state.

Freshman miss home a great deal, as is typical. Most of the freshman class polled gave predictable answers. For Sandi Lemly, the things she misses most are her "brother, . . . dog, . . . the food, . . .," and, she added, her own room and bed. Roy Dina misses his friends more than anything and Clay Cartwright misses his surfboard.

When classes are over, the freshmen go out for a weekend of fun to unwind. Where do they

go? "On Thursday nights we go to the End Zone," says Emilee Belton. And Sarah Wiberg hits the road to the big city of Charlotte. She visits two clubs in the Queen City: 2000 and "The Pterodactyl." According to Kevin White, most of the freshman guys prefer to stay home and hang out together.

After a month or so of Pfeiffer life, those polled gave mixed reactions as to whether they plan to return. Many plan to transfer to larger schools, while others, who are here for sports, plan to stay at Pfeiffer College.

FACULTY

For more than a century, Pfeiffer College has served as a thriving educational institution where personal attention is abundant, superior academic achievement is a standard, and Christian values are integral to campus life. Our history is a story of perseverance and dedication, with heroes and heroines who mastered the ability to change course in mid-stream when needed. Our strength is in our faculty . . . dynamic professionals who seek to meet the individual learning needs of every student . . . one

at a time.

Our promotion of leadership and student life is further evidence of a strong commitment to the whole student. The College has created an environment where students can test their ideas, fail, and get back on their feet to discover another host of possibilities. Through the wide variety of opportunities for participation, students are gaining first-hand leadership experience that is carried into their personal and professional lives.

The business department has an open house during '94 Homecoming!

Connie Peacock enjoys lunch-time conversation with co-worker Donna Matthews and Senior Monica.

Pfeiffer students learn to understand their time and place in human events . . . a foundation that encourages the capacity for leadership, cooperation, competition, and taking reasonable risk in pursuit of one's goals.

Pfeiffer has emerged on the horizon of a new century, as one of the region's outstanding private colleges, assisting students to explore issues, share insights, gain practical experience, and put Christian values into action.

Janette Barnes consults returning and new students about photo I.D.'s

Jack Ingram mingles with new students during an early fall gathering.

Students are attracted to Pfeiffer because of its emphasis on a personal education, removed from the stresses and anonymity of life at a larger college or university. Our strength is in the faculty . . . a group of dynamic professionals whose credentials match their commitment.

We know our students well . . . their strengths and their weaknesses . . . and we seek to ensure that each leaves Pfeiffer prepared to live successfully in our society. With nurturing and support throughout their college careers, our alumni are experiencing success in all walks of life. Most will tell you that Pfeiffer deserves major credit for their success.

By Zane E. Eargle
PRESIDENT

STUDENT DEVELOPMENT AT PFEIFFER COLLEGE

Penise works hard to provide guest
with the best food service possible.

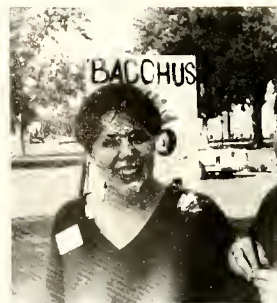

NEW STAFF, SERVICES CREATE IMPROVEMENTS AT PFEIFFER COLLEGE

Welcome or welcome back-- whichever may be the case for you. Much has happened in the Student Development Office over the summer; this edition of our newsletter spotlights a few of the changes we have made. Students, staff, and faculty will find several new faces among the Student Development staff; these include Dave Edwards, Director of Student Activities; Mike Phillips, Director of Security and Public Safety; Lisa Holland, Counseling Intern; and Laura Clay, Director of Religious Life.

Pfeiffer contracted a new food service company, ARA, to provide meals in the cafeteria, snack bar, and at special events. We are excited about the renovations in the food service areas and the addition of a Pizza Hut Express. We hope you will enjoy these offerings now provided by the College.

Throughout the year we will continue to update you on newsworthy items that arise in the Student Development Office. If you have any questions regarding activities, residence life, counseling, security, career services, or health services, please contact any of the Student Development staff or my office directly. Have a good year.

Dr. C. Jay Pendleton
Dean of Student Development

Cathy Smalley's not shy about participating in the Homecoming carnival events.

Staff member's eager to start in the Grand opening of our new campus restaurant, PIZZA HUT.

Shelia's participation in the Orientation program is greatly appreciated.

The James Center The Rose Garden Apts.

The James Center is a living quarters on campus that was specially developed for non-traditional students. It offers a more adult atmosphere, one that is quiet, co-ed and cozy. An environment that is greatly appreciated by those men and women wishing to return into the world of higher education.

Current tenants . . . MARK CONNOR, DONALD CRUMP, DARRIN EVERHART, CHRIS FABRIZIO, JERRY GALLO, CARL GREGOR, ALAN JAMIESON, MARLON QUILLENS, CHRIS ROLLINS, MARLA SMITH.

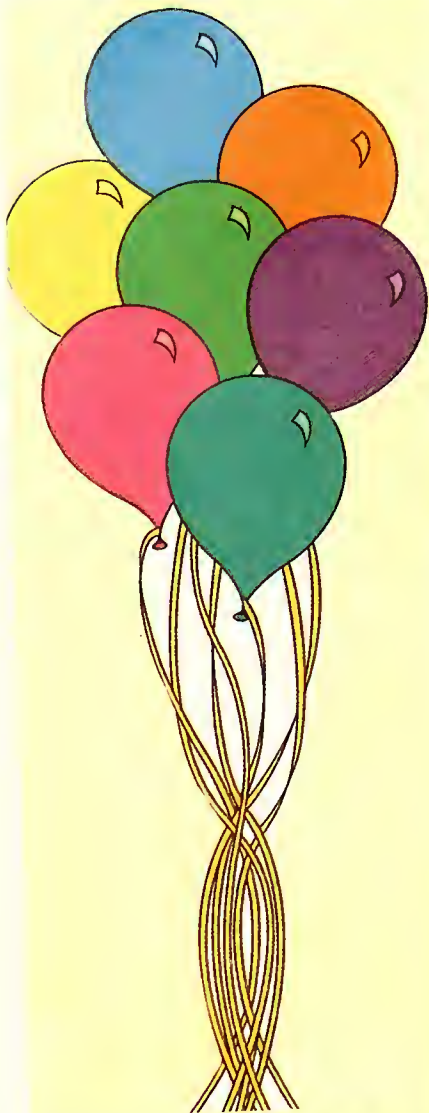

The Rose Garden Apartments, are living quarters on campus, developed especially for staff, married couples and single parents. These apartments offer the convenience of totally separate living quarters, with bathroom, kitchen, living and dining room space. The apartments are also available in 1 or 2 bedroom occupancies, and are leased-out like any other off-campus housing.

Religious Emphasis Week a Success

Charles Curcio
 Sports Editor

The week of September 18 through September 23 was Religious Emphasis Week for Pfeiffer College. Sponsored by the Religious Life Council, the theme of this special week was "The Church in Contemporary Challenge."

The activities for the week ranged from lectures to films. The Steve Martin movie *Leap of Faith* was shown to underline the importance of having faith.

Also, during the Religious Week, some students traveled to Charlotte to work at "The Retreat", a home for those afflicted with the AIDS virus.

LOOKING BACK

On Events

There were many fun social events on campus this year. These included Club night, Water Day and Homecoming.

Club night is usually an evening early on in the semester when all the active clubs and organizations

Two students talk while having lunch underneath a tree on campus.

come out to greet students and hopefully recruit new members. This event is once a year and traditionally held in the old gym.

Water Day, which occurred during Homecoming week, was one of the first events students joined in on to kick-off the series of campus festivities. This was one way to cool off, and to get rid of some stress.

Homecoming week is one

of the most active weeks on the college campus! There is a large number of participation by faculty, staff, students, alumni and the surrounding communities. Homecoming weekend traditionally ends with a dance, held in the new gym. Here, the first dance is initiated by the newly crowned Queen and King!

There's nothing like squirting the enemies with a little H₂O!

Students clowning around during the homecoming carnival!

New students eager to sign-up for SNEA.

REFLECTIONS ON Homecoming 94

Homecoming '94 was a fun-filled day. There were several events going on that day, some of which included: the Carnival; the Art exhibit; the Art Auction; the Homecoming Queen Elections; the Lunch on the lawn; the Dedication of the Field to Mr. Lefko; the Parade; the Soccer game; the Grand Opening of the Pump Haus; the Dedication of a new sculpture into the Sculpture

Garden; the Dance.

This years Homecoming Queen, who was announced during the half-time of the men's victorious soccer game, was Faith Fowler. She was crowned by Dr. and Mrs. Eargle.

What Makes Pfeiffer Academics

Unique? by Jim Spiceland

A college education at Pfeiffer is a very personal human experience. Although some of our faculty publish regularly we are not a research institution. The faculty are here to teach students and to share an academic and intellectual life with them.

What makes Pfeiffer Academics unique? It is the teaching faculty and the down to earth personal attention they provide students. The uniqueness of Pfeiffer is found in the lives and spirits of our professors, people who love students, love their subjects and love to teach. They are also people who enjoy the quiet and thoughtful lifestyle profounded by our rural location.

The uniqueness of Pfeiffer can be found in the heart of Professor Eugene Earnhart, who has been professor and friend to countless students for over 30 years and who remains tireless in his concern for his present

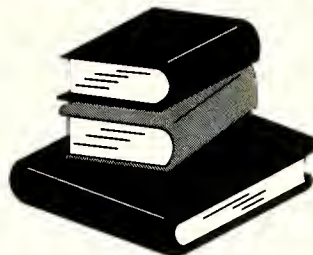

students.

It is found in the metabolism of Dr. Bettie Starr, who works tirelessly to make psychology a living subject for her students.

Dr. Jim Morton is part of our unique academic life. Not only does Dr. Morton teach graduates and undergraduate students with great care and skill, he has worked countless hours on the Pump Haus project.

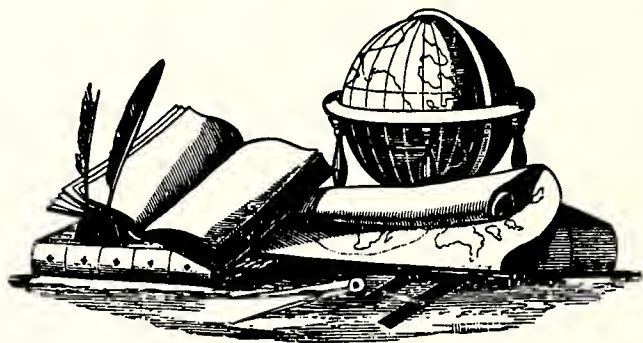

Dr. Mike Rienman's chemistry magic show is unique. I could go on. Now you can see why Pfeiffer Academics are unique. Unique because of the committed people who work with students and create our academics and intellectual life.

Merner Center talk!

The Learning Center Learning how to Learn!

The Learning Center at Pfeiffer College is located on the top floor of the library. Several students feel that the staff in that facility make every effort to provide any and all types of help that is needed. Thumbs up to the staff in the Learning Center.

ATHLETIC TRAINING

The Falcon Athletic Training Staff is comprised of talented student trainers. These students report to the training room one hour prior to their assigned teams practice to perform treatments. Some of the more common treatments performed are, heat, electrical stimulation, whirlpools, hot and cold, ultrasound and other several other rehabilitative techniques. They also prepare the water coolers, tape athletes weak areas and help them to stretch particular muscles and ligaments properly. Once the practices and games begin, the trainers are responsible for evaluating injuries and re-assessing for treatment. After practice the trainers also perform a series of treatments. Their responsible for cleaning the training room and completing all the appropriate paperwork. There is more to their job then meets the eye. I'm very proud of this bunch!

Pfeiffer College Mens Soccer

1994 season review

The Falcons finished the season with a record of 13-4-2. The highlight came on November 5, with the defeat of Belmont Abbey College 2-1, the Falcons captured the Carolinas Conference championship. The team won a record-setting 10 matches in a row, qualifying for the NAIA regional tournament.

A host of players received individual awards. The most significant award was given to Freshman Matt Harmer. The defender from Preston, England was named first team All-American. Freshman Forward Todd Moniz led the Falcons in scoring with 14 goals and was named All-South. The Falcons placed four players on the All-Carolinas Conference team. Along with Harmer and Moniz, goalkeeper Errin Stanton and midfielder Ryan Layton were both rewarded as All-Conference standouts.

Many of the players contributed to the success of this years team. Freshman James Adkins and Junior Matt Turri played pivotal roles in goal when Stanton was injured early in the year. The defense was led by Junior defenders Brian Lawson and John Rochford, Freshman Don Lundgren, Jimmy Faust and Sean Lister. Contolling the midfield were Senior Jay Drye, Junior Mario Campos, Sophomore Bryan Cunningham and Freshman Thal Noury and Greg Aldredge. The leading forwards were Sophomores Cameron Colvin, Scott Jelliman and Bob Newshutz, Freshman Rich Rheinhold.

In his inaugural season at Pfeiffer College, TJ Kostecky was honored by his peers as Carolina's Conference Coach of the Year.

SOCCER

The Falcons, under first year coach TJ Kostecky, started the season slowly, with a 3-3-2 record after the first eight games. Once everyone became familiar with each others playing strengths, the Falcons reeled off ten straight wins, breaking the Pfeiffer record for most consecutive wins which was set in 1977. Pfeiffer started four freshmen most of the season and finished 13-4-2 and 4-1-2 in the Carolinas Conference.

With the second seed in the conference tournament, the Falcons opened at home with a 4-0 win over Lees-McRae. The semifinals and finals were held at High Point University where the Falcons met Mt. Olive in the semi-final round. After a scoreless first half, they trounced the Trojans 6-0.

Pfeiffer squared off against the Belmont Abbey Crusaders in the finals and held a potent Crusader offense scoreless for 90 minutes to win the CIAC championship 1-0.

Seeded 5th in the Mid-South Region tournament, the Falcons traveled to Covenant College where they ended their season in the opening round with a 2-0 loss.

The Falcons were well represented when all-conference selections were announced. TJ Kostecky was named "Coach of the Year." Todd Moniz was "Freshman of the Year" with 14 goals and 5 assists. Todd, Ryan Layton, Matt Harmer, and Errin Stanton made the all-conference team.

The team looks forward to the 1995 season as they only lose one graduating senior.

1995 SEASON OUTLOOK

The 1994 season for the Pfeiffer Falcons was a season of records. The '94 squad posted a 9-6 record which was the second most wins in the school history. The team also set records for goals in a season (274), assists in a season (167), and points in a season (442). In addition, individual marks for career goals (212) and career points (275) were set in 1994. The Falcons placed three players on all-American teams (a school record) as well as having 7 first or second team all-conference selections.

Overall, the 1994 Falcons finished 5th in the final Division II poll and shared the conference title. In

goalies as well as coordinate the strength and conditioning for the Falcon's.

Assistant Coach, Jason Dombrowski returns to the Pfeiffer lacrosse team after an impressive playing career with the Falcons. A former team captain, all-conference selection and team MVP, Jason was a four year starter who finished 9th on the all time Pfeiffer scoring list. Jason will coach the midfielders and work with the man down unit.

what will probably be their final year in division II, before moving up to Division I, the 1995 Falcons have set their sights on the Division II title.

This may seem like a lofty goal after losing 8 starters, two of whom were all-Americans and five of the squads top six scorers. Helping the Falcons achieve that goal will be another strong incoming class to add to their 20 returning players, 12 of whom are seniors. While not as deep on offense as last year's squad, Coach Fritz feels that he has a better team on both sides of the field which should help Pfeiffer in their run for the playoffs.

THE COACHING STAFF

Coach James Fritz heads into his 6th season as head coach of the Falcon Lacrosse program hoping to continue to build on the winning tradition he has established at Pfeiffer. Since taking over two weeks before the 1990 season, Coach Fritz has taken the team from that 3-7 start to being ranked nationally the last three years. His players have broken a total of 22 individual and team Pfeiffer records and set 1 national record. Despite playing top teams year in and year out, he needs just two more victories to set the mark for career wins at Pfeiffer for Lacrosse. Even more impressive is in that time he has coached 5 All-American's, 9 all-conference players and 1 World Team member as well as 3 North/South selections.

Coach Fritz graduated from Montclair State College in 1985 and began coaching the following year. he has been successful at every level. First at the j.v. and varsity level in high school and then at Bloomfield

College where he started the program and now at Pfeiffer. He also was selected in 1986 to play, coach and develop lacrosse in England. He continues to help with the growth of lacrosse. In 1992 he held the first annual coaches clinic in N.C. A member of the United States Lacrosse Coaches association, he will again be chairing, for the third straight year, the Division II All-America Committee as well as serving for the third time on the U.S.I.L.A. rankings committee and the NCAA Division II Advisory Committee.

Assistant Coach, John McDonough comes to Pfeiffer after spending two years as an assistant at Upsala College where he helped lead them to the ECAC's both years. A graduate of Drew University, John was a three year letterman for the Rangers after transferring from Navy. Besides being voted team MVP at Drew, John captained the team there, as well as being an all MAC selection and being selected for the North/Southgame. He will coach the defense and the

LACROSSE

Colin Carr, the team captain and honorable mention all-American, in action

FALCONS TO WATCH

COLIN CARR, Sr, Manchester, England: midfield, Captain, honorable mention all-American and member of England's 1994 World team. A first team Juco all-American, Colin came in last year and scored 26 goals and added 30 assists to finish fourth on the team in points. Colin also holds the distinction of playing in both the H.S. and Juco North/South game. A great all around player, Colin will be one of the top players in Division II this year and should be a big factor in the falcon offense this season.

MATT JAWOROVICH, So, Lebanon, NJ: midfield — A first team all-stater out of North Hunterdon H.S. who was also played in NJ North/South game. Matt had an impressive freshman year scoring 15 points despite missing 6 games due to an injury. Big things are expected out of Matt this season.

PAT FERGUSON, Sr, Pasadena, MD: defensive midfield, A four year letterman Pat has made the switch from midfield his freshman year to becoming a force on the defensive end of the field. Last year Pat had an outstanding year. His ability to pick up the ground ball, throw good checks and start the fast break may make him the best Defensive midfielder in Division II.

LEE MCCOY, Sr, Richmond, Va: defense, A juco transfer last season, Lee stepped in and quickly became the teams number one defenseman. Lee is a smart player who makes the most of his ability. A good one on one defender, he held his man to a 1.5 points a game average. He helped anchor a man down unit that held opposing teams to a 27% success rate. Lee also led all Falcon defenseman in scoring and ground balls last season.

BILL MILONE, Sr, Flemington, NJ: Goalie, An all-conference selection last year, Bill has steadily developed into a very good goalie. An excellent stopper, Bill is also equally dangerous out of the cage and handling the ball. His outlet ability is a big reason for the success of the Pfeiffer transition game. Could be one of the top goalies in Division II this year.

MIKE ROUSSEAU, Sr, Ipswich, MA: Goalie, A four year starter in high school, transferred from Dean Junior College where he started both years there. A great one on one goalie. He split time last year and gives the Falcons maybe the best two goalies in Division II.

TOP NEWCOMERS

SAM JOHNSON, freshman, attack. An all-league, all-county and all-metro selection from Seneca Valley H.S. Holds record at Seneca Valley for ground balls as well as assists in career. Led team in points his senior year.

GREGG GEBHARD, freshman, attack. First team all-league and all-county out of Smithtown H.S. Selected to play in Exceptional Seniors game. Led team in goals, assists and points his senior year.

JUNIOR BRUNNER, junior, midfield. A Bishop Kearney H.S. graduate and an all-region selection at Monroe Community College, John helped the Tribunes to juco playoffs last season.

JASON MYRICK, sophomore, defense. A South River H.S. graduate who transferred from UMBC. At South River he was selected 1st team all-county his senior year.

DAVE EDDINGER, junior, defense. A Fallston H.S. graduate who transferred from Harford Community College. Played in Juco North/South game.

JASON FERRO, sophomore, defense. All-conference selection out of Division H.S. Transferred from Nassua C.C.

JEFF SNOW, freshman, defense. Chesapeake H.S. graduate who was named second team all-county his senior year.

KEVIN WHITE, freshman, goalie. First team all-league and all-county out of Kings Park H.S. Selected for Exceptional Seniors game. Holds Kings Park record for saves in a game.

WOMEN'S

Women's Tennis 1995

The 1995 women's tennis team is looking forward to another successful season. Conference Player of the Year, Anu Lakshman, returns to defend her title at the number one (#1) position. Lakshman, who made it to the third round of Nationals, finished 34th in the NAIA rankings last spring. She is joined by All-Conference player Michelle Gunter, returnees Ginny Griffin, Audrey Furr and Kristen Carter. We'll also be receiving three new players, fresh-

man Renata Alves, Tanya Joyce and, junior Tammi Edwards. They will have an immediate impact on the team. Coach Mary Ann Sunbury says, "This is the deepest, most talented team we've had in years and we're expecting to do very well." The Lady Falcons open the season with UNCC on February 20th. Come Support Tennis!

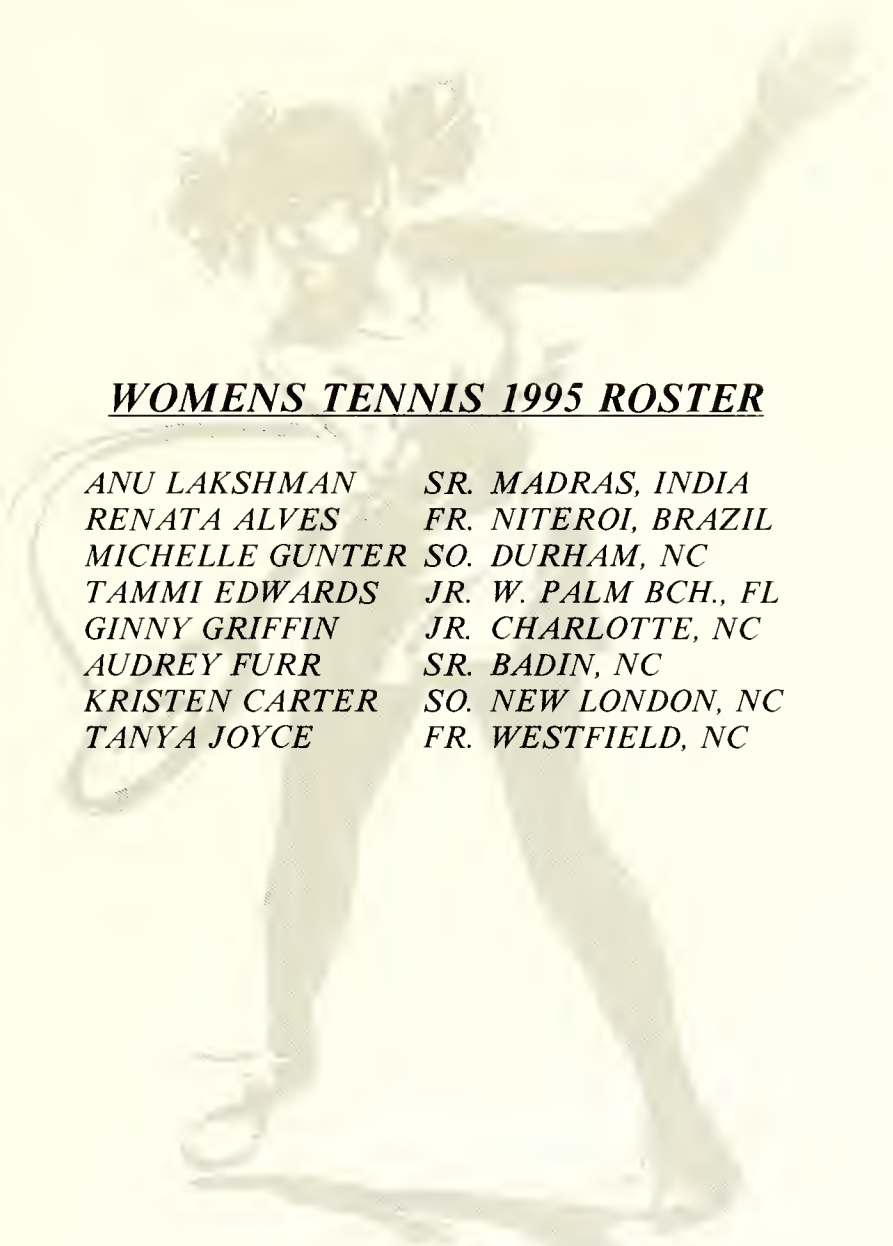

UPDATE! Anu Lakshman has just been ranked 23rd in the NATION!

CONGRADULATIONS ANU!!!!

TENNIS

The team is ranked #23 in the country and we expect to go even higher this year. Rajev is ranked #44 in the Nation in Singles. Our top two doubles teams of Vijayhumar & Horne and Nair & Miletic, both have a chance of being ranked in the spring.

Rajeev lost when playing in the finals of the Rolex Regional Singles Tournament last fall. Rajeev along with Shankar, won the Rolex Southern Regional Doubles Championship and qualified for the Rolex National Small College Championships in Oklahoma City, OK, in October. There they finished 7th in the nation.

Our biggest asset this year is our teams depth. Numbers 1-6 are all very strong and have a chance of winning the conference. We hope to win the conference and qualify for the nationals. Good luck team! **Coach, Chris Potter.**

Betsy McGraw	Jr.	Bloomington, N.Y.
Tracey Pease	Jr.	Virginia Beach, Va.
Brandie Peavy	Sr.	Ocala, Fla.
Brandy Sternfeld	Sr.	Wilson, N.C.
Amorette Stiles	Sr.	Manassas, Va.

TEAM

The Lady Falcons had a memorable year with good swims, good grades, three invitationals, a winning season, a training trip to Florida, a rewarding day working with Habitat for Humanity, the VMI cadets, and refreshing 6:00 am practices.

Swim Pfeiffer has established a tradition of excellence. This year was no exception. The team was lead by its five seniors: Eva Mackey, Michel McInturff, Brandie Peavy, Brandy Sternfeld and Amorette Stiles. These young ladies will be missed however, they will not be forgotten. Their dedication was instrumental in the success of the swim program over the past four years.

Thanks, Coach Marcio Vanore

Feb. 16,17,18	Southern State	Away

SEASON RECORD

8-3

The 1994-95 Golf team could be one of the most talented teams in Pfeiffer's History. The Falcons will return everyone from last year and add redshirt Steve Armstrong, who played #1 two years ago. Pfeiffer, ranked #12 in the country, began the season by winning their first tournament hosted by High Point at Oak Hollow Golf Course. Mark Side, a sophomore from Surrex, England, finished second posting a 148 (77, 71).

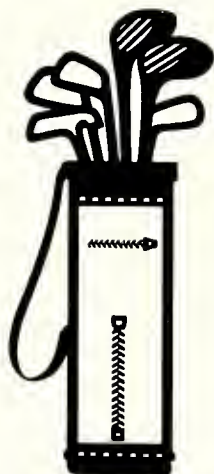

The Falcons played in three other tournaments during the fall, finishing 3rd at Guilford College, 6th at The Old North State Club, and 5th at Catawba College. They were led by Side (75 average), David Cox (75 average) and Steve Armstrong (75.6 average). The Falcons will also look to Thad Sprinkle (Sr.), who has participated in two National Tournaments. Depth will be a big asset, as those four will be challenged by Kelly Shumate (Soph.), Doug Pinsonneault (Soph.), and Steven Kuhn (Jr.).

Pfeiffer will play in seven tournaments in the Spring including the conference championship, which will decide their chances for going to the National Tournament.

Next season the Falcons will leave the NAIA and move solely to NCAA II where they hope to continue to be one of the best in the country.

BALL

The softball team ended the 1994 season with a bang, by defeating Mt. Olive twice at home on the final day of the season to force a three way tie for second place in the conference. However, due to head to head competition, the Lady Falcons were seeded fourth for the conference tournament, a position which allowed them to face every possible opponent in their march for the tournament championship. The Lady Falcons fell one team short — losing to undefeated conference and tournament champs, Coker College. Pfeiffer proved a lot of their young feisty falcons putting 3 ladies on the all-conference team including, freshman pitcher Janice Pettit, sophomores Leisa Seaford (centerfield) and Tiffany Kendall (catcher). The threesome also earned their way onto the All-Tournament team along with freshman left fielder, Moira Santiago. With the loss of only two seniors (captains Tonya Hill and Angie Linker) the lady falcons hope to continue into 1995 with the momentum that ended 1994. Angie and Tonya will be greatly missed, both were great defensive players as well as true team leaders.

The 1995 Pfeiffer Baseball Outlook

If the pitching staff jells in a hurry, Pfeiffer College could be a strong force in the Carolinas Conference in 1995.

Chip Smith, beginning his eighth year as coach of the Falcons, admits that the mound corps is a question mark, especially since last years ace Doug Clark is lost to graduation. But Pfeiffer does have three returning starters, John Johnson, Lewis Moore, Chad Elliott and two relievers. Hard throwing closer Vinny Maddalon and middle relievers Cal Vurganov.

John Johnson, a steady right-hander, has a chance to be the teams best pitcher. Arm problems forced him out of the number one slot last year, but his recovery has gained him the "ace" for 1995. Moore and Elliott along with Mike Specht and Joe McPerson and continued infielder Todd Capps all have mound experience.

The Best two newcomers to the pitching staff appears to be the transfers Adam Davidson and Travis Little. Smith says, "both have the ability to make strong impact on our success his season."

Other newcomers trying for pitching time they are . . . Bill Flippio. Sean Andrews and Scott Herman. All three of the young pitchers shall see some time on the mound.

The Falcons will be strong at catcher with returners Chad Fuquay and Ben Hooker. Others who show promise and Brent Surratt, David Stpohel, Ryan Bennett and Marcus Mitchell. "We really have good catching, there is good depth at catching!"

Returning starters James Beane and Dave Lanham will anchor the infield at shortstop and second base, respectively, while Jamie Battavio and Brad Southern should give depth to our middle field. Third base will show new faces this year with power hitters Mike Marcischak and Ryan Pestenski; both junior college transfers. Frank Brundage will take over first base and he'll add great power with his bat.

Pfeiffer's outfield will feature speed and good throwing arms. Rom Ellington a three year starter will solidify our outfield in center, while newcomer Greg Emerson and George Dobbs are slated for duty in left and right field,

respectively, with junior Ryan Hager and freshman Jereniah West and Luis Pizarro could challenge for a starting spot before the end of the season.

The designated hitter slot most likely will be held down by either Marcischak, Pestenski or senior Todd Cayton. All three are good hitters which will make us better at this position than in the past seasons.

The Falcon's will miss the long ball power Jason Bronson who really hit for power late last season. "We have had one of the best outfielders I've ever coached, as far as quickness and power," he points out. "We're quicker at the corners and we haven't lost anything at second and short."

The squad also has a roster full of young players, a fact that doesn't seem to bother Smith. "We are youthful in chronological years, but not in baseball experience."

Smith and the Falcons will be looking for a successful season, which only time and games will tell.

Good Luck Team and Congratulations Senior!

BASKETBALL

Lady Falcons 1994-95

The Lady Falcons entered the 94-95 season with an exciting mix of veteran and rookie players. Returning senior Marlene Gray, freshman of the year Adie Osborne and Kristen Lesley promise to be a versatile and potentially high scoring punch in the middle, while Kelly Dierker and Tanya Joyce will give outstanding support off the bench.

The guard position is wide open with newcomers Andrea Gentry, Bonnie Shapiro and Amy Lopriore challenging returners Amanda Hartsell and Ginny

Griffin. All show potential and are capable of penetration moves and outside scoring that should keep opponents guessing.

The schedule is filled with challenging opponents who will certainly test the squad early. An early loss of Connie Urbanski at guard due to a knee injury forced some key changes in positioning. The team will look to get stronger as the season progresses and expects to be playing their best come conference tournament time.

The team joins in for huddle as coach Sayewich and Murphy give words of encouragement.

In Loving Memory Of . . .

David Brown Jr.

'It was just bad timing'

Falcons guard shot in Baltimore while driving to NBA game

By TIM CRAIG
SNAP Sports Editor

A trip to an NBA game turned tragic for a Pfeiffer basketball player home on Christmas break Saturday. David R. Brown, 23, a junior guard from Baltimore, was shot and killed while driving to a Washington Bullets game.

According to Baltimore Police Spokesman Robert Weinhold, the event occurred at 1:15 p.m. on Saturday. Brown was driving a 1995 Chevrolet two-door sedan with Robert Stanley Frazier, 24, also of Baltimore, southbound on Martin Luther King drive.

According to reports, Brown got into a "verbal confronta-

tion" with a black male passenger in a 1987 or 1988 dark blue compact vehicle with a North Carolina tag. The two cars proceeded southbound when the black male passenger pulled out a small-caliber handgun and fired several rounds into the vehicle, killing Brown and injuring Frazier, before fleeing the area.

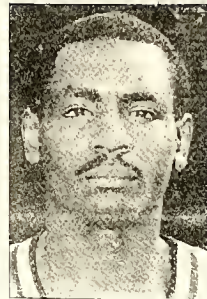

Frazier, who was shot in the side, is still in critical condition.

The news of the death came to Brown's teammates after the team's 99-84 loss Saturday in a tournament in Alabama.

"We're still stunned and devastated," said Lutz Monday. "The team is struggling to understand why this hap-

pened and we're trying to move forward as best we can."

The Falcons were playing in a tournament at Jacksonville State in Alabama when they received the news. The team postponed its January 11 game at Coker to allow Lutz and team members the opportunity to attend the funeral.

David R. Brown

continued on page 7A

Falcon guard shot

continued from page 6A

services, which are Thursday. Lutz said several of the Pfeiffer basketball players will serve as pall bearers.

It was Brown's quickness that first attracted Pfeiffer coach Bobby Lutz to the junior college transfer. Brown played one year of high school basketball at Southern High School in Baltimore and two years at Baltimore Community College.

"I first saw him in the summer of 1993 at a junior college camp in Pensacola," said Lutz Monday. "I really like him there. He came to visit during Midnight Madness of the 1993-94 season and signed during the early period."

"He was comfortable with us and we felt he had tremendous potential," added Lutz.

The season had not gone as planned however, as a broken

hand kept Brown out of the first three weeks of practice.

Even after he came back, playing in five games and averaging 10 points, his hand continued to swell, according to Lutz.

"When he continued to have problems with his hand, he stopped playing," said Lutz. "We applied for a medical red-shirt in December and that's why he wasn't with us. He wanted to stay home an extra week. He had his stuff packed and would have been here Sunday when we got back from our tournament."

"It was just bad timing."

Brown, who grew up in inner-city Baltimore, was a criminal justice major at Pfeiffer.

"He was just beginning the criminal justice program and would have been quite an

asset to the field," said Dr. Lois Coram, head of the Criminal Justice Department. "He lived in the problems of the society so he could have helped us to deal with the problems of today."

"Unfortunately, his life was cut short."

Both Lutz and Coram remembered Brown as personable and well-liked among his peers.

The Pfeiffer student body returns for spring semester on Sunday, January 16. The office of the Chaplain and athletic department are planning a memorial service at a date to be announced after student return to honor the memory of Brown.

— Staff writer Beth McLain contributed to this story

Do not be angry because of the wicked
do not be envious of wrongdoers!
For they will soon fade like grass
and wither like the green herb.
Be still and wait patiently before the Lord,
do not be angry because of those who prosper
in their way,
because of those who carry out evil devices!
Refrain from anger, and forsake wrath!
Do not be angry; it leads only to evil.

PSALMS 37:1-2, 7-8

GOD BLESS YOU DAVID BROWN AND MAY HEAVEN SMILE
UPON YOU!

MENS BASKETBALL

Halfway through the conference season, the Falcons are 13-5 (6-1 in the Carolina's Conference) and ranked #15 in the nation. 1994-95 is the last season of NAIA competition, as the entire department will go NCAA Division II in 1995-96.

All-American Justin Thompson, a 6'3 Senior, leads the team in scoring at 18 points/game. Three older seniors, Jon Sams (9 points), Larry Washington (12 pts) and Darrell Williams (7 points) also are important contributors to the team. Marlon Quillens and George Raikes (Juniors) join with sophomore Marvin Graves and freshman Rodney Smith to give the Falcons a solid 8 man rotation.

After a slow start (2-3 record), the team has played very well in the middle part of the season, despite the tragic death in January of junior David Brown. The Falcons look forward to hosting the CIAC tournament in March for the right to go to the NAIA National Tournament in Tulsa, Oklahoma. Pfeiffer has been to five straight national tournaments under Coach Bobby Lutz, a Carolina's Conference record.

Pfeiffer J.V. Basketball

Coach: Rob Moxley

The J.V. basketball program started its first season this year and has been an overall success. The team played an extremely competitive schedule including contests versus UNC-Chapel Hill, Fork Union Military Academy and Hargrave Military Academy, as well as several strong Junior College programs.

Top performers for the team included Nathan Moss, John Cook, TJ Holloway, and Kevin Hughes. Coach Rob Moxley was pleased with the progress made during the program's inaugural season and more importantly the opportunity given to the players.

Religious Life Council

Jennifer and Susanna work together on decorating Goode Hall during the Williamsburg Christmas events.

Throughout the 1994-1995 year, the Religious Life Council has engaged in exciting programs for the entire campus. Periodically, we have sponsored a Faith Exploration series. Over dinner students gathered to view an interesting video, followed by a facilitated discussion. September

brought Religious Emphasis Week. Dr. Reverend Joseph Roberts, Jr. presented two moving lectures during the weeks events. In November, Pfeiffer students participated in RLC's Hunger Awareness Project, which included a lecture, movie, and hunger banquet. With garlands, wreaths, red bows, and candles, Pfeiffer participated in an unforgettable traditional Williamsburg

Christmas. Regularly throughout the spring semester, we provided an opportunity for students to explore current "hot topics" with our forums. RLC members also planned interesting Wednesday Chapel services.

With compassionate attitudes and boundless energy, Pfeiffer students worked to help those with HIV/AIDS to have a place to live in peace, love and dignity at "The Refuge" in Charlotte. We moved furniture, shoveled glass, cleaned bathrooms, painted, and worshiped as our outreach project for the year.

Thanks for your support in making this year unforgettable!

Pres. Susanna Baxter, Vice Pres. Patrick Chambers, Dee Everhart, Members . . . Jefry McCullum, Cathy Cox, Betsy McGrath, Joanne Blackman, Charles Curcio, Jennifer Justice, Brad Holliman

Black Student Association

The Black Student Association purpose for existence is to educate the Pfeiffer Community about African American Culture. We are open to all students who wish to join and help to raise the awareness of, or to just learn more about the African American experience. We

meet every Monday at 5:00 pm in the cafeteria to discuss group events and socials, and we try to make one meeting per month to discuss issues that are being raised across the nation and how it affects us, here at Pfeiffer.

In the month of February, we will have a five week series on African American History. Every week we will have one major event dealing with our history. Also in January we will

have an event entitled "The Final Proof of Love."

Good Luck to the '95 Grads

Hands For America

Hands for America is an organization focused on helping the community. The biggest project completed is the volunteering of Pfeiffer students at the Nazareth Children's home. These children not only receive tutoring, but friendship from Hands for America members.

President: Carlos Scarborough

Advisor: Deborah Burris

Going Places Club

Going Places

Going Places is an RLC organization that welcomes students of many diverse denominations to share opinions and values of topics that reflect people today. We meet once a week to discuss topics, play games and fellowship with one another. We join several times with RLC to help participate in missionary events. One occasion

was the trip to Charlotte to the AIDS/HIV Refuge. We've also adopted Britthaven Nursing Home, located right here in Richfield. We've made them cards for particular holidays and delivered them personally to each person. That really means a lot to the tenants.

President: Cathy Cox

Residence Hall Association

Residence Hall Association

Residence Hall Association (RHA) was created in spring of 1994 as a result of a change in the SGA constitution. The purpose of the RHA is to serve as the voice of those students who live in the residence, during the SGA meetings. Each residence hall has a president, who attends weekly executive board meetings, to listen in and give input, insight and new ideals or opinions to issues that may arise that concern dorm life.

The RHA participates in major campus events, such as the Williamsburg Christmas, Winterfest and Aprilfest. Time has also been spent revising the House Council system for all the residence halls. In the future, the RHA hopes to become more active in planning events for resident students campus wide and acting as a STRONGER voice in Student Government Association.

Tom Conti, President

Student Government Association

The 1994-95 year has been very productive for the Student Government Association (SGA). In addition to addressing students concerns throughout the year, we worked very hard to accomplish four main goals: 1. increase commuter student involvement; 2. develop a more effective level of communication among students faculty and staff; 3. a greater awareness of multiculturalism; 4. increase community service.

As one of the new organizations in SGA, the Commuter Student

Association and Residence Hall Association have proven to be a strong and vital part of SGA. The Intra-Club Council has continued to grow and has been a driving force in the

efforts to improve communication on campus.

In addition, we've started an After School program in conjunction with neighboring Elementary Schools. SGA has also remained dedicated to the community through the Religious Life Council's support on the Refuge, a ministry AIDS/HIV group in Charlotte.

As always, the Student Senate has continued to address students concerns and take action that will benefit Pfeiffer College as well as the students.

Kappa Chi

The Henry Pfeiffer Chapel is where the Annual Student Preacher Award is held! A Great place for these young leaders to get their start!

Kappa Chi is an organization comprised mainly of pre-ministerial students. Its intent to be a support group where members discuss their futures as ministers in the pastorate, Christian Education, Music and other ministries. Discussions range from anxieties to what is actually happening to those who are serving as ministers in local churches. The group is made up primarily by those looking toward work in the United Methodist Church, but is not limited

to that group.

Speakers are invited to speak at meetings. In the past we have been honored to have Dr. George Dolch, Dr. Bill Benfield, Thomas Nottage (a Bahamian Student), Dee

Hilliard along with several others. This semester we've

planned a service project that will allow us to assist a local church with limited resources.

Come Join us in Fellowship and good conversation,
Sincerely,

Kappa Chi Members

Christian Student Ministries

The Christian Student Ministries group exists to provide opportunities for students to meet in fellowship, engage in student led Bible study, render services to the community and reach-out to students in times of stress and need.

We are open to all students, staff and faculty for a time to rejoice and worship the Lord. We have many local adult supporters who we extend our sincerest thanks to.

CSM meets twice a week, Tuesday and Thursday evenings. On Tuesday nights we have a type of youth group, that involves discussions of major issues that are current to learn more about ourselves and to

here other views. On Thursday nights we have Bible study.

March of 1995, we will dedicate one our meetings to honor Robin (lamb) Joines, a very active and beloved member of our organization until her tragic death in fall of 1994.

Music Educators National Conference

OFFICERS

President: CHRISSY
LaFRANCIS
Sec./Tres.: CATHY COX

V.Pres.: MARCIE CLEMMER
Advisor: MARILYN WIENAND

Music Educators National Conference (MENC) provides opportunities for development in the field of music education. It provides interaction with Pfeiffer College Music Alumni and other professional musicians in the area. This club helps develop leadership skills and techniques for teaching music beneficial to music education majors.

Each year MENC is involved with Homecoming events and other Choir Reunions. In November of each year MENC attends the state wide convention for music educators. Here not only do the music majors promote Pfeiffer College's Music Department, but they also attend workshops, concerts and look at the latest in teaching materials, computer

programs and instruments. Also MENC is involved with Christmas caroling and other community events.

SPMM Club

The SPMM (Sports Management and Medicine) Club is an organization on campus designed to meet the needs of those students who are interested in majoring in Sports Management, Sports Medicine, Physical Education, and Pre-Medicine. The club was newly re-instituted in the 1994 spring semester and has grown to be very popular among students in these majors.

The club would not be half as successful as it has been without the support of the advisors, Professor Kathleen Kinkema and Dr. Christina Beaudoin. They have put many long hours in helping us to plan and prepare activities sponsored by the club. We are all very thankful for them.

This semester we sponsored two major events. The first one was the 1994 Homecoming run which was a tremendous success. The second, was a service project in which we held an Activity Day for children ages 3-12 that allowed parents to go Christmas shopping, or just have an afternoon off. The day left us exhausted, but all of the club members had a great time. We're looking

forward to many new exciting projects for the future, so come on out and be a part of us!

Sincerely,
Faith Fowler, President

Christine Wilderman

ADVISOR:

Janet Fowler

The Chimes is a campus organizations that was developed as a means of organizing and producing a yearbook. The purpose of the Chimes is to give campus students, whether it be for credit or non-credit, the opportunity to get involved in the development, organizing, and complete publication of the yearbook.

This year was my first year as Chimes advisor, and indeed a very difficult year. There was plenty of pressure to get a yearbook out this year, because there wasn't one published last year. Then added pressure to have it completed prior to the May '95 graduation.

I must say however, that my staff was very supportive, and patient with me. We worked

hard and we worked quickly, together. I'd like to give a special thanks to those students who put in a lot of overtime to help meet deadlines, and who hung in their for the entire year. *Stephanie Efird, Laurel Peters, Emily Smith, Melissa Gerrol and Christine Wilderman.*

God bless you all,

Outings Club

WELCOME TO THE PFEIFFER COLLEGE OUTINGS CLUB

Welcome to Pfeiffer College. It's great to have you here. We invite you to join the group that has a reputation for having the MOST fun on campus! We get away from it all — for weekend escapes to the mountains, to the beach. With camping, hiking, canoeing, horseshoe riding, white water rafting, and more . . . we always have a fantastic time.

Let your imagination soar to lush forests in the hush of dawn, to sitting perched high above a mountain gorge watching falcons gliding through the air . . . to the wonder of the roar of waterfalls which are among the highest in the eastern United States . . . to alligators and seagulls along miles and miles of beaches, or strolls through historic sites . . . sipping hot chocolate in front of a roaring campfire in the chill autumn . . . or accepting the challenge of a class-four rapid. All this and more when you join the Pfeiffer College Outings Club.

We're active . . . we're involved . . . we're the largest club on campus.

Judicial & Appeals Board

The Judicial Board — This Board is established so that a student's case may be heard by a body of his/her own peers. The Board is composed of ten justices (one chief justice and nine associate justices) and two faculty/staff members. The Board is charged with the responsibility of dealing with cases referred to it by the House of Councils or the Student Development Office and with those cases concerned with violations of College Regulations. The Board also hears student appeals from decisions of the House Councils. If a student wishes to appeal a decision of the Board, he/she must do so within 24 hours and in writing to the Chief Justice of the Board of Appeals, via the Dean of Student Development.

(alternate)

Dr. Sullivan, Advisor

The Board of Appeals — This Board consists of seven justices (one chief justice and six associates) who are appointed by the SGA Executive Council and approved by the Senate and one faculty/staff representative. The Board of Appeals hears all cases which are referred it to by the Judicial Board and hears appeals of individual students from Judicial Board decisions. Students may appeal the findings of this Board of Dean of Student Development and the Cabinet, of which the President is chair, provided the appeal is filed in writing within 24 hours to the Dean of Student Development.

The Student Senate — This is the legislative body of the Student Government Association. Senators are elected at-large from the student body. Members of the Executive Council are ex-officio, non-voting members.

As a representative body, the Senate provides both an opportunity for discussion and consideration of student concerns and a source of student authority to press for action. Resolutions, policy change statements, recommendations, etc. are introduced during legislative sessions.

The Senate meets once a week in its chamber on the second floor of the Student Center. Visitors are welcomed and encouraged to attend the open legislative sessions.

The Class of

1994

Dear Seniors of 1994,

The Class of 1995 feels that it would not be appropriate to publish a yearbook without acknowledging the Class of 1994.

Due to several unexpected incidents during the making of the 1994 annual, it never made it to the publishing company. However, the Class of 1995 realizes that it was not the fault of the entire class, and with the help of this years Chimes Staff, felt it only just to honor the Class of 1994 with this final section of the yearbook.

Sincerely,
Class of 1995
The 1995 Chimes Staff

Class of 1994

Officers

President: *CHRISTINE M. GERZACK*

Vice Pres.: *MINDA P. HUSSEY*

Secretary: *MARY N. IPOCK*

Treasurer: *BRIAN K. CHUNN*

he Road of Life . . .

Which will you choose?

The Road Not Taken

by Robert Frost

Two roads diverged in a yellow
mood
And sorry I could not travel both
And be one traveler, Long I stood
And looked down one as far as I
could
To where it bent in the under-
growth;

Then took the other, as just as
fair,
And having perhaps the better
claim,
Because it was grassy and wanted
wear;
Though as for that the passing
there
Had worn them really about the
same,

And both that morning equally
lay
In leaves no step had trodden
back.
Oh, I kept the first for another
day!
Yet knowing how way leads on
the way,
I doubted if I should ever come
back.

I shall be telling this a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood,
and I —
I took the one less traveled by,
And that has made all the dif-
ference.
